REMARKS

On July 30, 2003, Applicant submitted a petition under 37 CFR § 1.182 requesting that the order of the named inventors be changed. On September 2, 2003, Alesia M. Brown, Senior Petitions Attorney granted the petition. For your ready reference, please find enclosed copies of the above-noted documents.

Furthermore, when the formal Notice of Allowance dated October 31, 2003 was received (copy attached), it correctly stated that the first named inventor was "Robert F. Wideman, Jr.".

However, when the patent issued, the original order of inventors, not the revised order as granted through the petition, was listed on the patent.

A Certificate of Correction is requested based on these errors of the U.S. Patent and Trademark Office.

Please forward the Certificate of Correction to:

PETITION UNDER 37 CFR 1.182 TO CHANGE THE ORDER OF
NAMES OF THE INVENTORS

Mail Stop Petitions
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

Applicant requests that the order in which the inventor's names are listed on the above-identified patent application be changed. As the application now stands, the inventors appear in the following order:

Gisela F. Erf
Robert F. Wideman, Jr.
Howard L. French

I hereby certify that this correspondence is being deposited
with the United States Postal Service as first class mail in an
envelope addressed to: Commissioner for Patent, Alexandria,
VA 22313-1450 on July 30, 2003

Amy Miles

Applicant requests that the order of the names be changed to the following:

Robert F. Wideman, Jr.
Gisela F. Erf
Howard L. French

Applicant inadvertently listed the inventors in the original application in an incorrect order. Dr. Robert F. Wideman Jr. is the principal investigator of the laboratory that developed the invention disclosed in the application. The research that resulted in the present invention was conceived by Dr. Wideman and he contributed the substantial majority of the inventive concepts disclosed in the specification. Therefore, Applicant deems it proper that Dr. Wideman be listed as the first inventor such that any issued patent may have the inventors referred to as "Wideman et al."

Enclosed please find a petition fee of \$130.00, as required by 37 CFR 1.17(h).

Respectfully Submitted
